

Balloon Rocket Launch!

Circle the balloon size you want to try first:

Small

Medium

Large

Hypothesize!

Which size do
you think will
go the fastest?

Which size do
you think will
go the farthest?

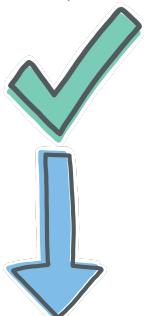

Were You...

 Right or  Wrong

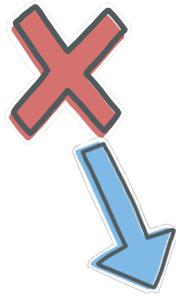

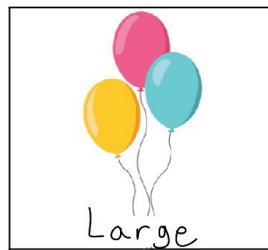

Were You...

 Right or  Wrong

Did you try another balloon size?

Circle the size:

Go to the
bottom of the
page!

Did it go farther than your first balloon?

Yes

No

How could we make it
go farther/faster?

a) Use less air
(smaller balloon)

b) Use more air
(bigger balloon)

Was the
Rocket pushed
or pulled?
